

the **HUE** beyond words

"The Hue is one of a handful of Chicago bands who are forging ahead with a new style of fusion that is equal parts rock's excitement and crunch, and jazz's experimentalism and harmonic sophistication. I hope that Beyond Words is indicative of the direction in which both progressive rock and modern jazz are headed."

- Paul Abella
Host, All Things Jazz 90.9FM, WDGB
Contributor, Chicago Jazz Magazine

"Great composed parts in these tunes. These guys kill it."

- Dave Watts, drums
